

# MATERIAL SAFETY DATA SHEET

Manufacturer Information

Company : KleanNara Co., Ltd.  
 Address : 258 Hwangtanri Kangnaemyeon  
 Heungdeok-gu, Cheongju-si,  
 Chungcheongbuk-do, Korea.  
 Department : Paper Quality Control Team  
 Tel : 043-230-7292  
 Fax : 043-231-2523

Date of Issue : Jan, 2024

Product Name	WHITE COATED DUPLEX BOARD WITH GREY BACK (SC, SC Manila)			
Material property	distinction	: Mixture(Paper products)		
	chemical name	: Cellulose(Wood)		
	composition and content	Name	Cas No.	Weight %
		Pulp	65996-61-4	84%
		CaCO3	1317-65-3	6%
		SBL(Latex)	70857-13-5	2%
	Starch	9005-25-8	1%	
	H2O	7732-18-5	7%	
Classification of hazards	A possibility of danger	: Do not correspond to standard of classification		
	destructiveness	Not applicable		
Emergency measure	case of get in the eyes	: Not applicable		
	case of touch in the skin	: Not applicable		
	case of inhalation	: Not applicable		
	case of ingestion	: Not applicable		
Fire fighting measures	fire fighting measures	: Wear appropriate protective equipment, Work against the wind		
		: The flammable materials remove quickly		
	extinguishing media	: Water, carbonic acid gas, Powder		
Caution of treatment and safekeeping	handling	: Prohibition of using firearms		
		: Work in well-ventilated areas so as not to absorb moisture		
	storage	: Keep far away from the fire, sources of heat		
Explosion protection measure		: Not applicable		
Chemical and physical properties	outside	: The winding roll or cutting sheet shape		
	density	: 0.6 - 0.9		
	solubility	: None		
	the melting point	: No data		
	the boiling point	: No data		
Information of hazard (Safety, Responsiveness)	the flash point : Timber 260°C	reactivity : None		
	the burning point : No data	particulate matter explosiveness : No data		
	stability : Stable at normal temperature	oxidation : None		
Information of toxicity	Skin corrosion : None	magnetic polarity : None	sensitization : None	
	toxicity : None	acute toxicity : No data	chronic toxicity : No data	
	carcinogenicity : No data	reproduction toxicity : No data	reproduction toxicity : No data	
Ecological Information	resolvability : be	Store : No data		
	fish toxicity : No data			
Disposal Precautions	It can withdraw as general waste paper and incinerate as general waste			
Transportation Precautions	Leaks water, overturn, the damage attention due to a contact, the product value becomes worse			
Information of law	There is no applicable law			
The others	literature : Follow up guide of MSDS
